* If the entry in column 1 is less than the entry in column 2 write 0 in column 1

It has been suggested that the use of the term "disability" is a negative label, and that the term "handicap" is a more appropriate term to use. However, the term "disability" is used in the majority of the literature, and it is the term used in the majority of the laws and regulations. Therefore, the term "disability" will be used in this document.

is the highest possible frequency that can be used in the system.

The highest number previously paid for total or independent is the highest number found in the appropriate box in column 1.

[illegible]
